6、Add a new journal (打入老師給你的密碼)

The screenshot shows a mobile application interface with a grey background. At the top left, there is a blue icon of a book. To its right, the text "Recently updated" and "No Post" is displayed. Below this, there are two circular icons: a grey one with a white plus sign on the left, and a grey one with a white minus sign on the right. A white dialog box is centered on the screen, containing the following elements:

- Add a new journal** (Title)
- Please enter the code provided by the teacher below to get the journal (Instruction)
- Enter journal code... (Text input field)
- Confirm and Continue (Yellow button)
- Skip To Create Your Own Journal (Yellow button)

7、add code and confirm

The screenshot shows a mobile application interface with a dark grey background. In the center, there is a white rounded rectangle containing the following elements:

- Add a new journal**: A large, bold, dark grey title.
- Please enter the code provided by the teacher below to get the journal**: A smaller, dark grey instruction text.
- Input field**: A white text box with a blue border. The first part of the box is highlighted in blue and contains the Chinese text "打入老師給你的密碼" (Enter the password given by the teacher).
- Confirm and Continue**: A large, orange button with white text.
- Skip To Create Your Own Journal**: A large, light orange button with white text.

8、You will enter our journal
